

Maintaining Ethics, Boundaries, and Professionalism in Nursing Practice (NE-3)

3 CE CONTACT HOURS COURSE

Produced by
PBI Education, a trade name of Professional Boundaries, Inc.

Course Description

The goal of the course is to increase awareness of potential violations and thus reduce the occurrence of ethical and boundary transgressions committed by nurses and other staff members.

Course Objectives

Upon completion, participants will:

1. Acquire a working understanding of the Boundary/Ethics Formula © in order to reduce their own violation potential for ethical, boundary, and policy transgressions.
2. Improve ethical decision making.
3. Develop and implement a Stratified Ethics Protection Plan © to safeguard their patients/clients, colleagues, medical facility, profession, and themselves.

Target Audience

Nurses currently dealing with administrative or disciplinary action for an accusation or violation, or preparing for regulatory hearings as a result of such actions, require the specialized course offered by Professional Boundaries, Inc.

Course Format

“Maintaining Ethics, Boundaries, and Professionalism in Nursing” is an interactive online course utilizing proprietary teaching tools developed by Professional Boundaries.
